Hi Bruce,

Attached are the enhanced cleaning instructions we issued to our custodians before spring break. We have also changed the working concentration of our cleaning products based on the guidelines provided by BCCDC in *Appendix A - List of disinfecting agents and their working concentrations known to be effective against coronaviruses of their 2019 Novel Coronavirus (COVID-19) B.C. public health guidance for schools and childcare programs* ([http://www.bccdc.ca/Health-Info-Site/Documents/COVID19\\_schools\\_childcare\\_guidelines.pdf](http://www.bccdc.ca/Health-Info-Site/Documents/COVID19_schools_childcare_guidelines.pdf))

In addition, while schools were in session we deployed additional casual custodial staff to clean high touch surfaces during school hours every other day.

Stay healthy!

Flavia

Good morning

Given the extent that the COVID-19 (Revelstoke) is having on the schools, I would be interested in receiving copies of any regular or modified information on cleaning and disinfecting schools given the current crisis. While we all have our regular cleaning practices and procedures I am wondering if districts are modifying theirs and if so, I would appreciate receiving a copy.

That's it for today, take care and be healthy.

Thanks

Bruce
